

The following is a list of efforts made for every individual sport Harrisville offers throughout the year. I am always looking for new ideas on how to get the word out regarding registrations. Please let me know of any ideas you have that may help.

Recreation Date Sign: These signs are placed in the following locations;

350 W 2550 N

750 W Hwy 89

2000 N Hwy 89

1350 N Hwy 89

534 N Harrisville Road

1385 N Washington Blvd

1200 W Harrisville Road

Pioneer Elementary

A flyer in every students hand: Office staff will put the flyers in the teacher boxes and the teacher will then hand them out to each student in their class. (Not every school was willing to accommodate this request, although there are flyers available in the office of each school)

Flyers in the school office: Flyers are delivered to each school and are placed in the office for students to get and take home.

School announcements: Announcements will be made at each school over the intercom and on a weekly basis during the registration period. This announcement is to remind students of the open registration period and about the flyers in the office.

City Hall Marque Sign: Registration information is on the marque sign at City Hall.

City News Letter: Registration information is put in the City news-letter that every resident receives the month prior to registrations beginning and during the month that registrations are open.

Email to parents: An email reminder is sent to every parent who has registered for Harrisville Youth Sports through "Sportsites."

Harrisville Recreation Web Page: The recreation webpage contains all the information a parent/coach may need regarding registration dates, season dates, divisions and grades, dates and times of games, etc.
