DRUG BOX

The drug disposal box is back in our lobby. It is important that only pills and bottles be placed in the box. This box is not to be used as a receptacle for all the used items in your medicine cabinet but for prescription and over the counter drugs. If you are unsure, please ask a member of our staff before placing your items in the box

POLICE NOTES

Solicitors are making their rounds throughout the city. Please be aware that all solicitors are required to be licensed by the city. Their license will be laminated with a picture ID, issued by Harrisville City, stamped with the city seal, and prominently displayed. Persons exempt from this would be those representing charitable or non-profit organizations, including students, or those disseminating religious or political information. Everyone must respect no soliciting signs and leave as soon as you voice your disinterest. Please help get the message out that anyone soliciting without a license in Harrisville is not welcome. If you encounter someone that is not properly licensed please explain to them that it is not legal for them to be in our city. If they do not leave the neighborhood please call the non-emergency dispatch number **(801) 629-8221**.

LOCK UP YOUR VALUABLES. This cannot be stressed enough. Unlocked cars, bikes, equipment, ATV's, etc. will make you a target. All it takes is a few minutes for you to become a victim. The best protection is to lock your doors, shut your garage, and secure your valuable items out of sight of would be thieves.

We want to extend a thank you to all who participated in our annual Heritage Days event. We would especially like to thank all the volunteers who helped make it such a huge success.

Round trip service will take approximately 55 minutes. The service will connect residents from Pleasant View, North Ogden and Harrisville to the Ogden Transit Center and a myriad of additional bus and train service.

Shuttle service will have limited stops and connect to major transfer points in the area. Bus service will travel the following routing: Buses will run east bound along 2600 N. to Washington Blvd. in

North Ogden, and then travel north bound to 400 E. Elberta with a stop adjacent to the Church of Jesus Christ of Latter-day Saints chapel. The bus will continue west bound to the Pleasant View Municipal building, then to 1000 W., with a stop at another LDS chapel on 2700 N. 1000 W. Buses will stop at the Pleasant View FrontRunner Station in both directions. UTA is planning additional stops at 100 W. in front of the Wasatch View Mobile Home Park in Pleasant View, and Flying J on 1100 W., 21st Street (near Steven's Henagar College).
