HISTORY BOOKS AVAILABLE

Looking for something unique to give this year? The beautifully bound and well written history of our city, Harrisville Horizons, would make a wonderful gift for any book lover on your list. Harrisville Horizons can be purchased at the city offices for a special Christmas price of \$12.50.

ELECTION 2013

THANK YOU! Harrisville residents came in record numbers to participate in the election process. Thank you all for voting. The polls were filled and busy throughout the entire day. We welcome Harrisville City's new Mayor Bruce Richins, Council Member Jeffery Pearce, and Council Member Jennifer Jensen. We would also like to thank Mayor Richard Hendrix and Council Member Chad Allen for their dedicated years of service to the city.

Winter Parking

Please remember the winter parking ordinance is in effect until April 1st with no parking on city street between the hours of 12:00 a.m. and 9:00 a.m. Vehicles parked on the street during or after a snow storm impede snow plowing and may be towed at the owner's expense. Home owners are responsible to remove snow from sidewalks in front of their home, private driveways, and fire hydrants. Also, please remove garbage cans from the road shoulder as soon as possible after collection.

YOUTH CITY COUNCIL NEEDS YOUR HELP!

The Youth City Council is collecting new or used coats, hats, gloves, etc. to donate to various shelters in the area. Donations can be brought to the city offices before December 20th. Thank you for your support.

HOLIDAY WISHES

All those who serve and work for Harrisville City would like to extend our wishes for a very happy holiday season to you and yours. It is a pleasure to serve you!

Entertaining for the Holidays?

Think Green with These Tips from Waste Management

To make your holiday party as eco-friendly as possible, start with the three R's of conservation: Reduce, Reuse and Recycle.

- Scrap your traditional paper party invitations and go digital! Online invites are often free, and help cut back on the four billion trees forested each year for paper products
- Create a menu that utilizes food with recyclable or zero packaging/wrappings
- Use reusable bags when grocery shopping
- Use tableware and cloth napkins that can be washed and used again

- Party decorations? Go without or decorate your affair with fresh flowers and evergreen trimmings that can be composted. Using, branches, fruits, leaves and dried flowers from your yard or local farmers market is a much "greener" approach
- Skip the plastic table cloths and use washable, reusable or recyclable paper table cloths to cover tables
- Candles are also a great way to create a festive atmosphere
- Leftovers? Use recyclable items such as aluminum to store any party leftovers. Aluminum can be crumpled up and thrown into the recycling bin

Pharmaceutical Disposal

Harrisville City now offers a safe place for those outdated or no longer needed pharmaceuticals. The bin is located in the lobby of City Hall, 363 W. Independence Blvd. Please take advantage of this service to dispose properly of potentially dangerous materials. We will accept all prescriptions and drugs. Please no liquids and no needles/sharps.

EXTENDED CITY CLEAN-UP DATES

Due to the extreme weather conditions recently, Harrisville City is pleased to offer waste containers located at the Main Park (1350 North Highway 89) for disposal of waste and debris. The waste containers will be available from **Monday, November 25** through early morning **Friday, December 6**. No hazardous waste will be accepted. Please plan ahead to utilize this additional clean up opportunity. We appreciate your care and concern with keeping Harrisville City beautiful. Please contact Harrisville City office for further information. (801) 782-4100
