## BASEBALL AND SOFTBALL

Baseball and Softball sign ups for grades K-9 are just around the corner. Sign ups will run March 1st through March 31st. Please visit the city website at [www.cityofharrisville.com](http://www.cityofharrisville.com) for more information regarding registration and youth employment opportunities.

## HERITAGE DAYS 2014

If you are interested in volunteering for Heritage Days 2014, please contact Harrisville City Offices at (801)782-4100 ext. 1000. Local Businesses interested in sponsoring Heritage Days 2014 activities and events! Please contact Council Member Paula Knighton at [pknighton@cityofharrisville.com](mailto:pknighton@cityofharrisville.com) or Jennie Knight at [jknight@cityofharrisville.com](mailto:jknight@cityofharrisville.com)

## YOUTH VOLLEYBALL

Harrisville City would like to gauge interest from the public regarding the implementation of a volleyball program into our youth sports program. Divisions may be offered for grades 5 – 9. The season may be during July, August and/or September, and games may be played indoors at Orion Jr. High. Please email any comments to Bryan Fife at [bfife@cityofharrisville.com](mailto:bfife@cityofharrisville.com) Comments/responses will be taken during the month of February at which time a decision will be made as to whether or not there is enough interest to support a volleyball league.

## STATE OF THE CITY

With the election behind us, Harrisville City has quickly and easily transitioned to a new administration that will build upon the progress made in prior administrations. I welcome our new council members and as Mayor, I am pleased to see how united and cooperative our community works to create a wonderful environment for businesses and families.

Let me first report that Harrisville City has just successfully completed its annual audit. In this audit, the finances and administration of the city are well managed. Harrisville City has no debt, no bonds, and is run with efficiency. There were no compliance issues raised and a clean report has been sent to the state. Now the planning of a new budget will soon commence. I pledge to you that Harrisville City will adopt a balanced budget. I also pledge to continue to provide the services that the residents of our community need and enjoy.

We also start this year off as one of the newest cities in the state to receive the "Business Friendly" community designation from the Governor. I commend our city staff who work to reduce local barriers to business and promote our community for retail commerce. Only a few cities in the state have received Governor Herbert's "Business Friendly" designation and I am happy to be the Mayor of one of those few cities with this distinction. I also acknowledge our top-notch police department that serves and protects our community.

At our recent council meeting the City Council discussed and adopted some goals for 2014. Among these goals is our continued effort to promote business in our city; we also seek to expand our youth recreation program by improving publicity at our local schools. We are a city of many families with children, and youth recreation provides an opportunity for the development of sportsmanship and a safe environment for our youth. Also, our parks are becoming more beautiful and popular each year as families gather and enjoy the outdoors. As we continue to grow, our community has also made it a goal to revise and update our capital plans for land use, parks, and transportation. Planning now will help offset future costs and keep our taxes low for those already living in the community. I also express thanks to our volunteers who serve on the Planning Commission for their efforts in building the future of our community.

I appreciate the opportunity to serve Harrisville City as its newest Mayor. My door is open to each of you to express your thoughts and vision for our future. I invite you to be part of Harrisville City as a volunteer or in a capacity that creates the wonderful community that we all envision.

—Mayor Bruce Richins
