### Spring Cleaning Days and Tree Trimming

Spring is right around the corner and it is time to take advantage of our Spring Clean-Up Days, April 20-24. Specific waste containers for regular garbage debris and green waste will be available at the Harrisville Main Park, 1350 N. Highway 89, during the Spring Clean Up for disposal. As part of the spring cleaning this year, we ask you to trim and remove obstructive trees and branches on your property or in the park strip. Trees overhanging sidewalks should be trimmed to the height of 8 feet in order to meet code requirements. Trees overhanging roads are to be trimmed to 16 feet as well. Diseased trees and vegetation should be removed and disposed. Trees or vegetation that obstruct or threaten sidewalks, waterways, culverts, pipes, storm drains, or utility lines should also be trimmed or removed. Our annual community spring cleaning days are a perfect opportunity to get outside and enjoy the warming weather as we make Harrisville City a beautiful place to live and work. Thank you to everyone willing to help your neighbor or others who struggle to maintain their yards and spaces. We can work together to keep our community safe and beautiful.
