

HARRISVILLE HAPPENINGS

July 2011

• HARRISVILLE CITY'S NEWSLETTER •

www.cityofharrisville.com

Join us for City Council Meeting held the 2nd and 4th Tuesday of the month at 7pm.

• HARRISVILLE CITY ELECTIONS •

There are three City Council seats open for election this year. They are four year terms beginning January 2012. Candidates must file a declaration of candidacy between July 1 and July 15 in person with the City Recorder during regular office hours. The City Offices will be closed July 4th. Candidate information packets are available from the City Recorder and on the City website.

Also, a position on the North View Fire District Board of Trustees, representing Harrisville City residents, is open to be elected this year. The position is a four year term beginning January 2012. You must be a registered voter at the location of your residence and be a resident with the City of Harrisville. Qualifications and applications may be picked up from the North View Fire District offices, 315 E. 2550 N., between July 1 and July 15 and be submitted by 5:00 pm on July 15, 2011. Please contact Sallie Garcia, North View Fire District Clerk, for more information.

FIREWORKS IN UTAH – 2011

There have been some significant changes in the Utah fireworks laws that go into effect this firework season. We are asking for your help to keep your community safe this year by sharing these talking points. You may contact the Office of the State Fire Marshal at 801-284-6350.

You may now purchase and use lawful fireworks from June 26 – July 26. (The dates for sale and use of fireworks for New Year and Chinese's New Year celebrations remains the same.)

A new type of aerial firework is now lawful. Aerial devices, also known as "multiple tube," "repeater," or "cake" fireworks often look like miniature professional displays and can travel high into the air, as much as 150 feet. Still not allowed: firecrackers, M-80, cherry bombs, bottle rockets, Roman candles, single or reloadable mortars, and ground salutes.

You must be at least 16 years of age to handle or light fireworks. Fireworks need space from trees, carports, structures, or other obstacles. Aerial or "cake" fireworks need at least a 30 foot bubble of clearance around on the ground and above in the air. Some need as much as 150 feet clearance in the air.

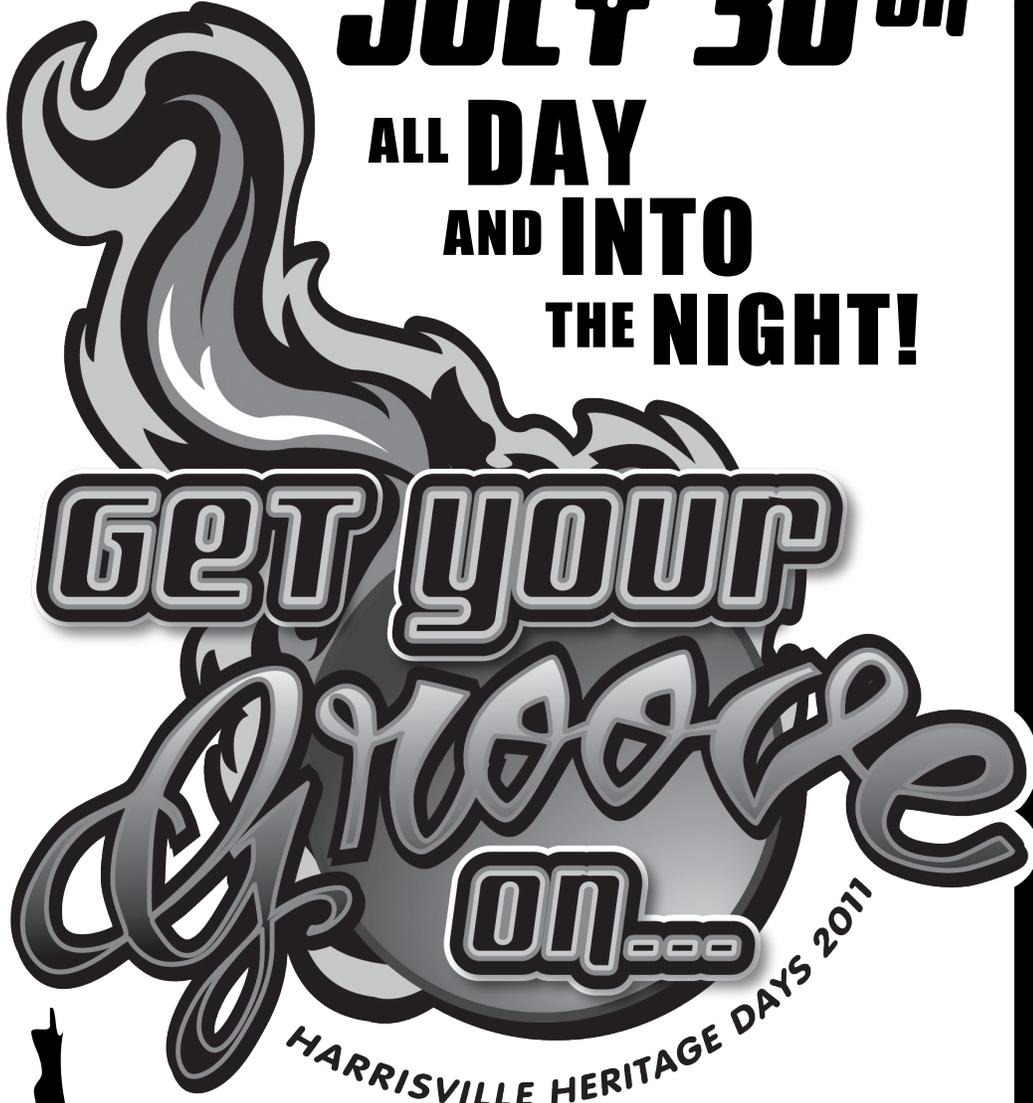

Should a firework misfire or not light, do not attempt to re-ignite. Children in Utah are burned each year by sparklers. The tip of a sparkler burns at a temperature of more than 1,200 degrees Fahrenheit, hot enough to cause third-degree burns. Children under the age of 12 should not use sparklers without very close adult supervision. Never hold or light more than one sparkler at a time. Teach children to hold a sparkler at arm's length from their body and not to wave sparklers or run while holding sparklers. Stand at least 6 feet from another person while using sparklers.

After a firework display, children should never pick up fireworks that may be left over, they may still be active.

JULY 30th

ALL DAY AND INTO THE NIGHT!

A full day of fun for the entire family!
