Police Notes

Lock up your valuables

This cannot be stressed enough. Unlocked cars, bikes, equipment, ATV's, etc... will make you a target. All it takes is a few minutes for you to become a victim. The best protection is to lock your doors, shut your garage, and secure your valuable items out of sight of would be thieves.

DOGGY BAGS

For those who enjoy walking the parks and neighborhoods with their furry friends we would ask you to please be considerate of others by cleaning up after your pets. Also remember that it is unlawful for any animal to run at large. Always keep your pet on a leash and remember to carry extra bags for cleanup. Help do your part in keeping our community clean and safe.
