HERITAGE DAYS!!

The Heritage Days committee has another fun filled event planned for the residents of Harrisville. Heritage Days 2011 will take place on July 29th and 30th. This event is only possible because of volunteers like you. The Heritage Days committee is looking for volunteers to run the Fear Factor competition and the Minute to Win It games. If would like to help with these events or any of the other fabulous Heritage Days events contact Sue Russell at heritagedays@cityofharrisville.com.

C.E.R.T. MEMBERS

CERT is looking for members who are willing to volunteer some time manning the CERT booth at Heritage Days. If you can spare even an hour that day please contact Ruth Pearce at harrisvillecert@gmail.com.

RECYCLING

Using your recycle bin minimizes your impact on the environment. Items approved for recycling do not need to be sorted but can all be thrown in together in your blue bin. It is easy and really does make a difference.

Take a look at how recycling is making a difference here in our community just in April 2011. **Solid Waste:** 208.20 Tons. **Recycling:** 22.80 Tons. **Total:** 231.00 Tons **Total Waste Diverted from Landfill: 22.80 Tons or 9.87%**
