Join us for City Council Meeting held the 2nd and 4th Tuesday of the month at 7pm.

Harrisville Parking and Traffic Problems

The City has received numerous complaints via voice mail and e-mail regarding traffic and parking issues around the City.

The Harrisville Police Department would like to remind all citizens that they are available 24 hours a day and would like to hear from residents regarding these problems while they are happening. It is much easier to solve the problem at that time than 2-3 days later when there are no longer cars in the area.

Please call the Weber Public Safety Dispatch Center at 801-629-8221 with your concerns and complaints regarding problems while they are happening. This number is the Harrisville Police Department 24 hour non-emergency phone number. Police Officers are not dispatched from the City Office and calling the City will only delay getting the information to the on-duty officer.

GreenWood Charter School

School is out but garden season is in full swing! Come help Greenwood Charter School get our gardens ready. We need volunteers to come help construct our school garden on Wednesdays this summer starting June 15th from 10 -12 at Greenwood, 840 N. Hwy 89, Harrisville. Bring your gardening tools with you; shovels, rakes, pitchforks, wheelbarrows and buckets are most helpful. Anyone who would like to come and help us make this a community effort will be welcome to take home some of our woodchips for your yard! They are first come first serve if you are willing to load them yourself. Please feel free to bring compostable yard waste you would like to get rid of such as lawn clippings, leaves, manure or straw. Gardening is fun so please feel free to bring your kids and come help us get growing!

2016 PRIMARY ELECTION INFORMATION

The 2016 elections will be conducted by mail. The first election this year will be the Primary Election on June 28th. Primary Elections are a process through which the voters of political parties decide who will represent them on the ballot in November. As such, political parties, not the county, set the rules for which registered voters can participate in their primary elections. More information regarding elections can be found at www.WeberElections.com.

Splash Pad Season Opening

The Splash Pad opened on May 30th at 10:00am for the summer season. Splash Pad hours of operation will be 10:00am to 8:00pm Mon-Sat. Splash Pad season runs Memorial Day through Labor Day. The splash pad is located at our main park at 1350 N. Hwy 89. Please keep in mind the splash pad is closed during inclement weather.

NEIGHBORHOOD WATCH PROTECT OUR PARKS

One of the most cherished assets of our community is the wonderful parks we enjoy. Harrisville City has invested much in rebuilding and renovating our parks in recent years. Numerous volunteers have given countless hours of service on park projects, and new features and upgrades have been added like the splash pad, new play ground equipment, and upgraded facilities. Unfortunately, vandals have damaged our parks. This senseless vandalism is costing you the taxpayer, and it is detracting from the beauty of our community. If you see suspicious activity going on at the park, report it immediately by calling dispatch at 801.629.8221. If there is an emergency at the park, call 911. Our

community counts on each other to keep watch over our neighborhoods and park. It's okay to report suspicious activity; it may be a crime in progress. If you have any information regarding vandalism in the parks, please report it to dispatch at 801.629.8221. Together we can keep our parks safe and enjoy these cherished open spaces.

**DOGGY
BAGS**

For those who enjoy walking the parks and neighborhoods with their furry friends we would ask you to please be considerate of others by *cleaning up after your pets*. Also remember that it is unlawful for any animal to run at large. Always keep your pet on a leash and remember to carry extra bags for cleanup.

Help do your part in keeping our community clean and safe.
