

# HARRISVILLE HAPPENINGS

November 2012

• HARRISVILLE CITY'S NEWSLETTER •

[www.cityofharrisville.com](http://www.cityofharrisville.com)

*Join us for City Council Meeting held the 2nd and 4th Tuesday of the month at 7pm.*

## FALL CLEAN-UP November 5-9

We are excited to offer our residents another opportunity to clean-up yards and neighborhoods throughout the city. Two waste containers will be located at the main park; one for garbage and one for green waste. No hazardous waste or construction debris will be accepted. Please plan ahead to utilize this opportunity. Thanks for doing your part to make Harrisville City a wonderful place to live.

### GENERAL ELECTION

Don't forget to vote November 6th!  
Polls open at 7:00a.m. For more information, go to [vote.utah.gov](http://vote.utah.gov).

### TIME CAPSULE

#### Further extension for submissions.

As part of Harrisville City's 50th year Jubilee Celebration, Harrisville residents are submitting a 8.5 by 11-inch page about them or their family to go into a binder that will be placed in the 25-year time capsule. The date for accepting submissions has been extended again. The time capsule will not be buried until the completion of the 50th celebration year---April 9, 2013. This gives all of you residents more time to respond. Do not be left out! PLEASE bring your page to the city office and be a part of Harrisville's great heritage.

### SANTA AT THE CABIN

Santa is looking forward to meeting Harrisville's good girls and boys on December 6th from 5:30 to 7:00 p.m. Get your list ready and come meet Santa at the Martin Henderson Harris Cabin (725 W. Harrisville Road).

### WINTER PARKING

Winter is near! Please remember the winter parking ordinance begins November 1st and remains in effect until April 1st with no parking on city streets between the hours of 12:00 a.m. and 9:00 a.m. Adhering to the parking ordinance helps our Public Works Dept. keep our streets clear and safe during winter months. Remember, vehicles, basketball hoops, and other obstructions parked on the street during or after a snow storm impede snow plowing and may be towed at the owner's expense. Home owners are responsible to remove snow from sidewalks in front of their home and private driveways. Also, please remove garbage cans from the road shoulder as soon as possible after collection.

### SEWER BACKUP INFORMATION

How to prevent a backup: taking notice of what is flushed down toilets and sinks can prevent most backups. DO NOT flush the following materials (or similar items) down toilets/drains. These items can plug the main and cause damage to you and other property owners connected to the main.

- Large quantities of toilet paper
- Paper towels

- Feminine napkins
- Disposable diapers
- Clothing – socks, underwear...
- Plastic, metal, wood, etc.
- Large quantities of cereals or grains (they can swell with water)
- Live seeds, beans, and peas (they may sprout)
- Grease, fats, oils
- Sand
- Fibrous materials (cotton balls, hair, rags, cigarette butts...)
- Sponges, scouring pads

If a backup occurs: first take action to protect people and valuable property. You may call the city or special service district, and as a service we'll check the main sewer. Any blockages found in the main lines will be promptly cleared. If the main line is not blocked, we recommend that you call a plumbing or sewer contractor to check your lateral line. Maintenance and repair of the lateral serving the home is the owner's responsibility. Regardless of the location of the blockage, clean up of the home should be done as soon as possible to minimize damage and possible negative health effects. There are qualified local businesses that specialize in this type of clean up.
