## Storm Water Information

To all residents who live in an area of the city with curb and gutter; please keep the gutters around your homes clean of all debris (grass clippings, dirt, leaves, gravel, etc.) Thanks for helping to keep our city clean.

## Mayors Message

Another annual Harrisville Heritage Days has come and gone. A huge amount of preparation occurs in order to pull off a successful celebration. I express my continued appreciation for how dedicated our staff is at preparing the park for each celebration.

Council member Jeff Pearce was our chairman of the Heritage Days committee this past year. We have rotated this assignment for the past few years. I appreciate his dedication for directing the committee. Each of our council members helped tremendously and I appreciate everyone who helped.

Our parade had been cancelled this year due to past years of declining participation of local business, etc. Our Youth City Council caught wind of the cancellation, and were extremely disappointed, and approached the City Council, expressing their disappointment during a Council Meeting. Our Youth City Council volunteered to organize the parade and the Council voted 4-1 to allow them to pull off a successful parade with less than 3 weeks time to prepare. What a successful parade it was! Thank you to our Youth City Council and their advisor, Austin Tracy for their tremendous efforts. I know a neighborhood friend of mine, 4 year old Rosemary, was very happy to see the parade.

Our glow-in-the-dark 5K run this year was another success. Councilmember Jen Jensen stepped up and directed the event to near perfection. This has been an event that has had increasing participation over the last 4 years which is very encouraging.

A big thank you to many of our local businesses that made our celebration successful. I encourage anyone to submit suggestions or comments regarding our future celebrations.

—Mayor Bruce Richins

## Election Information

September is National Voter Registration Month. You may register to vote at [voter.utah.gov](http://voter.utah.gov). Even if you think you are already registered, log on to [voter.utah.gov](http://voter.utah.gov) to verify and/or update your information. Ballots will begin arriving in Weber County mailboxes the last week of October.

## Police Notes

As it is once again time for school to start we would like to reach out to parents and neighbors to be aware of the children going to and from school. We have identified some serious safety concerns and would like to make everyone aware and seek assistance in making our schools safer. If your children walk to school, please ensure they are encouraged to remain on the sidewalks and only cross in designated cross walks or at intersections. For children waiting at Bus Stops please encourage them to stay out of the streets until the Bus arrives and obey the drivers.
