### **2. OPENING CEREMONY**

### **3. BUSINESS ITEMS**

#### **a. Discussion of the proposed increase, to levy a tax rate that exceeds the certified tax rate for Harrisville City.**

Mayor Tait advised no action will be taken at the meeting, and stated the purpose; a Work Session to discuss the proposed increase.

Jennie Knight, City Administrator, presented an overview of the challenges and needs within the city and provided a Council update and the need for an increase to the certified tax rate. She explained the timeline; beginning with a wage study performed to address the turnover in staffing (Dec. 2021), city growth, facility needs and bonding for a Recreational facility (discussed April 2022), City Hall and Police Department, a Parameters Resolution was adopted (May 2022) authorizing the bonding of up to \$15M for these facilities, and issued \$6M of sales and franchise municipal bonds to build the Public Works facility (end of June 2022), the City has completed the RFP process and is meeting regularly with the architects designing the new Public Works Building. The City is experiencing the growth of 18 proposed developments instead of the nine developments as previously discussed. In May 2022 when the tentative budget was adopted the City had not yet completed the bonding process, therefore the increase to the certified tax rate was based on the projection to balance the budget. With the issuance of the bonds and

proposed certified tax increase it helps the City balance the budget and address the needs of the City, including to stabilize our existing staff.

Jennie Knight reviewed the Truth In Taxation presentation, originally presented at the prior meeting. (Complete presentation found on [www.cityofharrisville.com](http://www.cityofharrisville.com)) She explained the many changes being adopted this year vs. last year in Weber County overall.

**WHAT IS THE CITY CURRENTLY DOING TO BALANCE THE BUDGET?**

- ▶ The **Public Works budget** has been realigned to balance utility funds.
  - ▶ Operational costs for these utility funds will now be paid from the utility fees collected and not the General Fund balance
- ▶ **Solid Waste and Recycle Services** have been audited to balance the cost of providing these services against the number of garbage service cans at each residence.
- ▶ **Impact Fees** to address new development have been updated through the appropriate state mandated process, which takes about 1.5 – 2 years to complete.
- ▶ **Fee Schedules** have been reviewed and updated as necessary to pass on the appropriate costs, which includes Storm water, Sewer, and Central Weber Sewer fees.
- ▶ **Additional Studies**, at a cost to the city, to address business license and building fees are future considerations to increase the city's budget.

Mark Wilson, Police Chief, gave an overview of the Police Department tentative budget, needs, examples of salaries and wages, turnover the department has experienced, needed position – evidence technician (p/t), proposed an increase to holiday pay and leave to accommodate coverage, travel and training budget (to cover mandatory training), he explained inflation has increased expenses substantially from printing services, cost of fuel, ammunition, memberships, uniform allowance, equipment and critical incident needs.

Mark Wilson expressed the need for the City to conduct a wage study annually for staffing purposes, retention, and explained surrounding cities are implementing the same.

Council Member Weiss explained the City cannot be in a continued deficit. The amount the City is asking for, though a substantial increase, is a very small percentage of the overall County increase. He explained Truth In Taxation is a process moving forward in nearly every city. Harrisville City has the ability to get out of debt and continue to move forward responsibly. The extremely tight budgets of administration, Police Department, Parks, and Public Works are in need of funding.

Mayor Tait and Council Member Wilhelmsen asked for clarification in regard to adopting less than the proposed certified tax rate.

Jennie Knight clarified, unless the full amount of the proposed certified tax rate is adopted, the budget will be in a deficit. The City can hope for other revenue sources but those sources are not guaranteed to come in. Jennie Knight reminded the Council of how impact fees are distributed and how they are required to be specifically designated, per project.

Council Member Loveland asked how information can be disseminated to the residents of Harrisville City.

Jennie Knight explained the City is transparent in noticing and follows requirements. Residents are encouraged to sign up for the newsletter, read information posted on the website, the City shares information on social media, on the marquee, Bona Vista statements, and will take calls and provide information as residents inquire.

Mayor Tait stated she is grateful for a supportive council and staff working together cohesively.

RE: Resolution #22-17 Leaves of Absence Policy Amendment

DATE: September 8, 2022

---

This resolution updates the leave of absence policy with the following proposals.

The proposed rates are consistent with the existing accrual rates. Vacation limits were also modified to align with the new accrual rates.

Holiday Leave has been defined more accurately for the Christmas Break, by excluding the weekends between Christmas Day and New Year's Day. The Holiday pay rate has been amended to address shifts that may exceed eight (8) hours.

Sick Leave has been amended to allow for sick leave use during employee probationary period with Department Head authorization. The exchange of sick leave has been amended to align with the fiscal year schedule rather than calendar year for better budget practices.

## Employee Evaluation form Memo

**Currently:** All departments have a generic form.

1. Too broad
2. Jumps from page to page
3. Not user friendly for either the supervisor or the employee.

**Goal:** Leadership would like to have a form that is specific to the department as each department is different and is responsible for different aspects of the city.

1. The new form is specific to each department.

*Examples:*

- a. Investigations
- b. Noticing requirements
- c. OSHA safety requirements.

2. This allows feedback to be more specific

- a. Show where the employee is shining and where they may need some help/training, or improvement.

3. It will give supervisors to see what the employee's goals are for themselves as well as what they feel they can contribute to the department.

*Examples:*

- a. If the employee would like to move up in positions.
- b. They are able to understand laws – opening for them to help train other employees.

4. Easier to follow for both the supervisor and the employee

# Harrisville Administration Employee Performance Evaluation

## **Objective:**

The formal performance evaluation system is designed to:

- Maintain or improve each employee's job satisfaction and morale by letting him/her know that the supervisor is interested in his/her job progress and personal development.
- Serve as a systematic guide for supervisors in planning each employee's further training.
- Assure overall consideration of an employee's performance and focus maximum attention on achievement of assigned duties.
- Assist in determining and recording special talents, skills, and capabilities that might otherwise not be noticed or recognized.
- Assist in planning personnel moves and placements that will best utilize each employee's capabilities.
- Provide an opportunity for each employee to discuss job problems and interests with his/her supervisor.
- Assemble substantiating data for use as a guide, although not necessarily the sole governing factor, for such purposes as promotions, disciplinary action, and termination.

## **Instructions:**

Review the employee's work performance for the entire period; refrain from basing judgment on isolated events or recent events that do not fall within the evaluation period. Disregard your general impression of the employee and concentrate on one factor at a time.

Evaluate the employee on the basis of standards you expect to be met for their assigned job. Policy and individual personalities should also be considered. Also, we shall consider the length of time and experience on the job. Rate only those factors that are applicable to the job and include examples for each section. Mark the number that most accurately reflects the level of performance for the factors appraised using the rating scale described below:

## **Rating scale:**

- 1= Performance, knowledge, skill level or abilities are **unacceptable** compared to position requirements
- 2= Performance, knowledge, skill level or abilities are **consistently below** position requirements
- 3= Performance, knowledge, skill level or abilities are **sometimes below** position requirements
- 4= Performance, knowledge, skill level or abilities **meets** position requirements
- 5= Performance, knowledge, skill level or abilities **sometimes exceed** position requirements
- 6= Performance, knowledge, skill level or abilities **consistently exceed** position requirements
- 7= Performance, knowledge, skill level or abilities are **superior** compared to position requirements
- N/A= **Not applicable**

# Harrisville Public Work/Parks Employee Performance Evaluation

## Objective:

The formal performance evaluation system is designed to:

- Maintain or improve each employee's job satisfaction and morale by letting him/her know that the supervisor is interested in his/her job progress and personal development.
- Serve as a systematic guide for supervisors in planning each employee's further training.
- Assure overall consideration of an employee's performance and focus maximum attention on achievement of assigned duties.
- Assist in determining and recording special talents, skills, and capabilities that might otherwise not be noticed or recognized.
- Assist in planning personnel moves and placements that will best utilize each employee's capabilities.
- Provide an opportunity for each employee to discuss job problems and interests with his/her supervisor.
- Assemble substantiating data for use as a guide, although not necessarily the sole governing factor, for such purposes as promotions, disciplinary action, and termination.

## Instructions:

Review the employee's work performance for the entire period; refrain from basing judgment on isolated events or recent events that do not fall within the evaluation period. Disregard your general impression of the employee and concentrate on one factor at a time.

Mark the number that most accurately reflects the level of performance for the factors appraised using the rating scale described below:

## Rating scale:
