HARRISVILLE HAPPENINGS

MAYOR'S EMERGENCY MESSAGE

Amid all of the unexpected events that are taking place around us, with COVID-19 and an earthquake last week, Harrisville City remains the wonderful community we all love to live in. In an abundance of caution, we made adjustments to our spring events and schedules and encourage you to align with the increasing regulations to ensure the health and safety of our community. These adjustments include cancelation of the following events:

- Annual Easter Egg Hunt
- Baseball and Softball Spring Season
- All Cabin and Bowery Reservations through May
- Any public gathering of more than 10 healthy people

Although these events have been canceled, I want to assure you we are continuing to provide the services you are accustomed to and rely on. Harrisville Police Department remains open 24/7 and will respond with extra precaution. Harrisville Public Works Department is regularly checking and maintaining our utility services. The City Offices remain open in a limited capacity. Please call 801-782-4100 rather than seeking help in person. Please note even though parks are open for people to enjoy, restrooms and drinking fountains are closed. Garbage service will continue as usual, the irrigation season will begin normally, sewer services are working (Please just do not flush items

that clog it), and Bona Vista water is safe to drink and use.

Additional information about the pandemic is found at: <https://coronavirus.utah.gov>. Our community is here for you, please in turn take care of yourselves and your neighbors.

SPRING CLEAN-UP

Many people are home during this pandemic. Please take the opportunity to utilize Harrisville City Spring Clean-Up. Dumpsters will be available at Harrisville Main Park, 1350 North Highway 89, beginning April 13th through April 19th. Please be responsible and considerate. Dispose of items INSIDE the dumpster, not on the ground. NO tires or hazardous material, please.

PUBLIC HEARING NOTICE

The Harrisville City Planning Commission will hold a public hearing at its meeting on April 8, 2020, 7:00 p.m., at the Harrisville City Hall, 363 W. Independence Boulevard, for the purpose of receiving comment on a zoning map amendment from RE-15 (Residential) to CP-2 Zone (Commercial) and Conditional Use Site Plan for a property located at approximately 566 North Wall Ave, Harrisville. Due to COVID-19 concerns, individuals who prefer to submit written comments may do so by email to jknight@cityofharrisville.com. Individuals requiring special accommodation (including auxiliary communicative aids and services) should notify Jennie Knight at 801-782-4100 Ext. 1000 at least three (3) days prior to the hearing.

**WHAT IS THE EASTER BUNNY'S FAVORITE DANCE MOVE?
THE BUNNY HOP!**

COMMUNITY RESPONSE TO COVID-19

1) EXERCISE RESTRAINT

Please only purchase what you need. If your family needs 1 gallon of milk every 2 weeks, please only purchase 1 and not 4. Overpurchasing leaves fewer items for those seeking to meet their immediate needs.

2) REFRAIN FROM IMPULSE OR PANIC PURCHASES

Your impulse purchase might be what someone else actually needs for tonight.

3) BE SOCIALLY RESPONSIBLE

Social media posts of long lines, empty shelves, and wait times at stores induce more community anxiety and panic.

4) IDENTIFY WAYS TO HELP YOUR NEIGHBORS, ESPECIALLY THOSE WHO ARE MORE VULNERABLE TO INFECTION

5) GO ABOUT YOUR NORMAL LIFE

Most importantly, do the things you would normally do while focusing on the CDC's steps to prevent illness -- for example: play at a park, walk along the trail, sing in the rain, read a book, watch a movie, make dinner with a loved one -- do what you would normally do (but keep washing your hands a few more times while doing it).

By taking these steps as a community, we can better navigate this evolving situation together.

More COVID-19 information is available at coronavirus.utah.gov and coronavirus.gov

Weber Communities That Care Vision Statement

The Weber Communities That Care Coalition is a caring community that harnesses resources to support all youth by engaging families, schools and the community through education and connectedness.

National Takeback Day

National Prescription Drug Take Back Day aims to provide a safe, convenient, and responsible means of disposing of prescription drugs, while also educating the general public about the potential for abuse of medications. This year we will be able to take E-cigs and Vape pens. The batteries just need to be removed.

• Smiths Food King 2434 N Washington Blvd North Ogden

- Press Event and Celebration will be held at the aquatic center to unveil the new mural

23
~~Event Cancelled~~
MAY & TBD

How can people help?

People can help by getting involved! The coalition's success is dependent on local residents getting involved. There are opportunities for all levels of commitment whether it be serving on the community Board for 1 hour per month, being a part of a workgroup or helping the coalition prepare items for an event.

For more information or to join the coalition Contact Samantha Tilton • samanthat@weberhs.org • 801-600-8202

* Cancellation of events due to COVID-19, possible.
